Dear Mr. Peterson:

As we discussed, attached is the letter Secretary Vance sent to the Attorney General, together with our proposed letter to Senator Bayh concerning Title IV of H.R. 12240.

Under the circumstances, it would seem best for you to convene a meeting with representatives of Justice, State, and CIA to consider how best to proceed in this matter.

Sincerely,

Dear Griffin:

Thank you for your letter of June 1st concerning our problem with visa ineligibility categories and the related difficulties associated with Title IV, H.R. 12240. I agree that we should continue to work on resolving our differences on the visa matter. In the meantime, however, I believe Title IV of the House bill is inappropriate and not needed.

Attached is a draft letter to Birch Bayh by means of which I propose to set forth the Administration's position on Title IV. I hope you will be able to join with Stan Turner and me in opposing it by allowing me to associate you and the Director of the FBI with the letter.

Sincerely,

As stated.
